

Do you believe in a better Yorkshire? Help build one

At the York, North Yorkshire & East Riding Local Enterprise Partnership (LEP) we are committed to being the best we can and representing communities across our region.

We are seeking local business leaders who run or own a company in York, North Yorkshire & East Riding and who can provide a wider more diverse perspective to our decision making.

If you are passionate about the issues which affect our economy and believe everyone should have the opportunity to reach their potential, we are keen to talk to you.

Our Board prides itself in creating a friendly and supportive environment, welcoming new and different opinions, because we understand the highest performing organisations bring together a broad range of knowledge, views and experiences to ensure they make the best decisions.

We have a large and diverse economy with thousands of great small and micro businesses operating alongside household names. With the internationally renowned City of York sitting alongside world leading agriculture, two National Parks and the stunning Yorkshire Coast, our economy is diverse and rich with new opportunities.

We want to ensure we make the right investments to deliver these opportunities, helping businesses and residents to grow and making our wonderful region more prosperous. To do this we want to strengthen our Board bringing in more and wider viewpoints.

As a member of the Board you will help lead the strategic direction of the LEP, shaping future priorities, developing partnerships and securing investment from both public and private sector.

You will need a minimum commitment of 6 days per year and in return we will offer

- The opportunity to build your Board experience
- The ability to influence and shape real change to make our region more prosperous and successful
- A supportive environment where your opinions will be welcomed and valued
- The opportunity to develop new skills
- An increased network of senior contacts
- Full development programme and support to your entry onto the Board.

We are developing our strategy to set out the priorities to ensure York, North Yorkshire & East Riding maximises its potential over the coming 20 years and we need your help.

This is an opportunity to take a lead role in our future, developing relationships across a range of stakeholders and provides the chance to show your passion by championing the work of the LEP.

We are committed to a diverse representation within our board and actively encourage women and BAME to apply.
