CALLING ALL NORTH YORKSHIRE BUSINESSES AND CHARITIES

Businesses, have you ever wanted to support a local North Yorkshire charity but were worried by the sums you might be expected to raise or the length of any expected commitment?

Charities, what help do you need from North Yorkshire businesses? Is it fundraising and volunteering? Trustees? Do you need help with business related tasks like IT security, social media, GDPR, software training etc or a room to hold large meetings in?

Support A Local Charity *aims to bring these two groups together* 😊

Charities: Tell us what help you *need*

Businesses: Tell us what help you can *give*

We will list both 'needs' and 'offers' on our website, allowing you to browse through until you find a good mutual match.

**A few hours of free support from a local business
could save a small charity hundreds of pounds.**
